

## Personal Watercraft and Sport Boats

### Program Highlights

- Engine named component coverage
- Eligible pre-owned terms up to 5 years including the manufacturer's warranty
- New coverage terms up to 5 years
- Trailer coverage included
- Transfer benefit
- Additional benefits include: pick-up and delivery charges, express claim payment, direct payment to repair facility and 30-day refund guarantee

### Covered Components\*

**Engine:** Internally lubricated parts contained within the block including: Pistons, piston rings/pins, main bearings and rod bearings, crankshaft, connecting rods, camshaft, camshaft bearings, valves, valve springs, guides and seats, intake manifold, reeds and reed blocks. Exhaust metering valve, springs and diaphragm, timing chain, gears/belt, flywheel, seals and gaskets (of a covered part if defective), engine heads, engine block and/or cylinder barrels (only if damaged beyond repair as a result of a mechanical breakdown of one of the above covered parts)

**Electrical:** LCD gauge assembly, alternator/stator, voltage regulator/rectifier, engine mounted terminal blocks, engine mounted wiring harness, electric choke solenoid, ignition switch, starter motor, starter armature, starter field windings, starter magnets, brush holders and brushes, end caps and bushings, starter drive and starter solenoid

**Ignition:** Power pack/switch box, amplifier, ignition trigger coil, ignition high output coil, spark plug wires and rev limiter

**Fuel delivery:** Fuel delivery pump (mechanical/diaphragm), carburetor body, air box (silencer), electric choke solenoid (enricher), electronic fuel injector delivery pumps (high and low pressure), fuel injectors, fuel rails, fuel distributors, ECU module, throttle position sensor, manifold air temperature sender, idle speed control, mass air flow sensor, detonation/knock sensor, ignition pickup sensor, seals and gaskets (of a covered component if defective)

**Oil Injection System:** Oil injection pump, oil pump drive gear, oil pump drive shaft, oil tank, oil tank cap, oil level sensors, oil level warning horn and lights, oil injection lines, oil injection check valves and oil injection metering system

**Controls:** Shift and throttle control box parts including: Cams, eccentrics, shafts, pivots, bushings, housing, control arms/levers and knobs, shift control cable, throttle control cable and ignition switch

**Steering:** Control helm assembly, control rack and yoke assembly, column u-joint, steering gate, rudder, nozzle and pulleys (excludes cables)

**Jet Drive:** Drive shaft, shaft bearings, shaft coupler, flex disc. VTS motor, VTS box, VTS shafts, VTS gauge and switch, seals and gaskets (of a covered component if defective), housing (only if damaged beyond repair by a covered component). *Does not include jet impellers.*

**Trailer (new watercraft only):** Frame rails, wheel bearings, spindles and springs, winch stand, welds, axle, hubs, coupler, bunk and roller cradles (excludes damage due to overloading or bending, and wheel bearing failures due to water entry or debris)

\* All coverage listed are for factory stock equipment. Contract is void if modified or raced. O.E.M. Maintenance and Service Requirements must also be met.

### Additional Benefits\*

**Pick-up and delivery reimbursement** up to \$100 when a mechanical breakdown disables the vehicle

**Express emergency claim payment** for 24-hour coverage assistance

**Direct claim payments to repair facility** ensures no out-of-pocket expenses at time of repair

**30-day refund guarantee** increases buyer confidence and loyalty

**Transfer benefit** if vehicle is sold while the service contract is still active

\*All plan benefits are subject to maximum reimbursement limits, may not be available in all states and may be different for each vehicle protection plan. Please see your service contract for all details.

### Contact Us

Protect your customers from the high cost of mechanical breakdowns with FPC Premium Marine Protection.
