XtraRide Powersports Coverage

The XtraRide Powersports Service Contract Program is an exclusionary level of coverage that protects all vehicle components on new and pre-owned vehicles (including components listed in all previous coverage levels) against the cost of breakdowns due to mechanical defects, subject to specified exceptions.

Exceptions and excluded components are summarized below*.

- Vehicle misuse, commercial use and racing and vehicle alterations
- Damage caused by a non-covered part or an external force or event
- Routine maintenance, leaks and noises
- Repairs or replacements that are unauthorized, for performance enhancement, or subject to a manufacturer's warranty, manufacturer's recall or other coverage
- All pre-existing conditions (problems existing prior to sale of service plan)
- Any vehicle retrofitted with aftermarket equipment to use alternative fuels including but not limited to: LPG, CNG, methanol, ethanol, or RFG
- In addition, the following components are among those explicitly excluded: Spark plugs, ignition points, PCV valves, filters, banjo and union fittings, brake drums, warped brake rotors, brake pads or shoes, bleed valves, clutch parts including: pressure plates, friction plates and springs; pilot bushing, throw-out bearing, rounded clutch cogs, ears and engagement steps, bent shift forks/ grease fittings, thermostats, belts, exhaust and emission components, exhaust pipe system, emission control module, carburetor mounting boots, carburetor, needle and seats, floats and float arms, hoses, light bulbs, lubricants, wheels/ rims and tires (tires, wheels or rims are only covered if the optional tire & wheel program is purchased), shock absorbers, compression dampening housing and external dampening/valving calibrator, batteries, body and trim items including but not limited to: adhesives, convertible tops, fasteners, nuts, washers/bolts, frame, upholstery/seat frames, glass, windshields, fairings, hoods, belly pans, bumpers, sheet metal, sealed beams, headlight and/or tail light assemblies; clutch, throttle, choke, brake and compression release cables, clutch, brake and throttle levers/blocks, shift levers, foot pegs, kick stands, manual kick starters and recoil assemblies, track, slides, bogie, wheels, springs, skis, wear rods, spindles/ saddles, Impellers, wear rings, engine couplers, drive belts and drive chains.

* A complete list of exclusions appears in the vehicle service contract.
